## CATÁLOGO GERAL

# IMESC

SOLUÇÕES PARA FRIGORÍFICOS

## **ORIGEM**

Fundada em 1991 no município de Nova Veneza, estado de Santa Catarina, a IMESC (Indústria Metalúrgica Sul Catarinense) localizada na região sul do estado, se destaca como referência na oferta de discos e lâminas de corte para diversos setores industriais.

## **ATUAÇÃO**

A IMESC atua desde o seu início em áreas do segmento metalúrgico, como por exemplo a usinagem e fundição.

A partir dos anos 2000, a empresa se consolidou nos setores de manutenção, fabricação e venda de peças de reposição para frigoríficos em todo o território nacional.

## **DIFERENCIAL:**

- Estoque de peças de reposição com mais de 200 produtos diferentes;
- Processo de controle de qualidade próprio com todos instrumentos necessários;
- A IMESC será o seu estoque, já que não ha objeção a quantidade mínima de compra;
- Matéria prima de qualidade equivalente a concorrência internacional.
